

# Report Project 1

Martinelli Flavio, Mingasson Tom, Ricchi Ilaria

October 17, 2017

## 1 Introduction

Here we should start to write something like: we have to do a lot because we didn't do anything actually ! (kidding) But I think we have to work a lot, anyway!

**TO REMEMBER:** We have to do also the file README

## 2 Fake section

I have set up this document as an article of 2 column. Is it ok for you?

## 3 Exemple of reference

I put a file called "bibliography.bib" where we should put our references and cite in this way [1].

## References

[1] blabla et al. "Bayes". In: (2016). Ed. by Wikipedia.
